Kanthak Karate is holding its second ever Light Saber party. Last year the party turned out to be a huge success, so were doing it again this year.

Make sure to find your designated party for you class time. With the amount of students going we would not be able to fit everyone and their sabers on the mat so we split the groups up for better spacing.

Arrive on time with your best Star Wars costume and saber ready for action. The school will be transformed with black paper covering the windows so the entire gym will be blacked out, but don't worry we will light the place up with black lights, and glow and the dark murals of star wars movies!

It's going to be a blast and you are not going to want to miss this party!
