

Intent to Promote/Academic Achiever Application

Dear Parents and Teachers,

Mr. Kanthak's main objective is to develop well rounded students, not only in Karate, but in society as well. To encourage hard work in school and proper attitude at home, Mr. Kanthak requires performance in these areas for belt advancement. Students may also qualify as Academic Achievers through good work at school.

Students named Academic Achievers are allowed to display Academic Achiever patches and stars on their Karate uniforms. They will be presented with a special certificate at the end of the quarter.

Please fill out the following for students seeking belt promotion and those who wish to be recognized as Academic Achievers. Our quarters may not match your grading periods. **Please judge on work done to date.**

(Fall: September, October & November. Winter: January, February & March. Spring: April, May & June.)

NOTE: **We trust teachers and parents to judge whether a student deserves recognition as an Academic Achiever.** We hope that our AA program is an incentive for students and can be used by parents and teachers as a tool to encourage good work habits and a positive attitude toward school.

Student's Name: _____ Grade: _____
(Please print name as you would like it on your certificate.)

School Term: *Fall / Winter / Spring* School: _____
